A WORD FROM THE **COMMITTEE**

The St. George Church Golf Outing began twenty-two years ago as a tribute to George B. Deep. George was a loyal servant of God and St. George Church and was an integral participant in nearly all church functions and projects during his time as a member. George was a leader who served his community and his country as well. He served the US Army in the Korean War and, much later, was a member of the Bridgeville Town Council.

We felt it was important to honor the memory of this special man, and we chose to have a golf outing. Thereby, we could gather family and friends and church members, have fun and share fellowship, and offer the proceeds as a donation to the church that he loved so much. It also gives us all the opportunity to preserve the legacy of George B. Deep, a legacy of love and service to God and his fellow man.
