Dear Friends –

9/1/2021

Greetings from St. George Orthodox Church in Bridgeville! It is that time of the year again... time for the 'Original' Feast from the East, Mediterranean Food Festival. This year our parish is proud to be hosting our 35th Anniversary Food Festival, which will be held **Friday, October 15th through Sunday October 17th.**

Our sincere gratitude to our sponsors who have donated to our Food Fair in the past! We are hoping to continue to partner with local businesses to help us offset the cost of the festival. We would truly appreciate it if you would consider supporting our event by providing a donation.

Our parishioners use traditional old world recipes from Syria and Lebanon handed down by their parents and grandparents. We make our ethnic food by hand and it takes a great deal of energy and expertise. There are many food events, but when you taste the quality of our food, you will be in agreement that it isn't just dinner; it is truly a "Feast from the East." Given our success in prior years and the positive feedback we received from our patrons, we look forward to once again serving over 3,000 visitors. We are offering indoor and outdoor seating as well as curbside pickup.

We have various advertising options available for your business, from placemats with sponsor names and logos to web ads and event signage. There is sure to be a sponsorship level to suit your business. Please feel free to contact me at 412-715-9595 or stevendelvitto@gmail.com if I can be of assistance in any way as you make your sponsorship decision.

Sincerely,
Steven DelVitto
Food Festival Committee Member
